|--|--|
| Hair Benefits | Palm and Rapeseed Oil Blend can be used in hair care products as an emollient and conditioning ingredient. Its nourishing properties can help moisturise the hair, reduce frizz, and improve manageability. The blend can be added to hair oils, serums, or leave-in treatments to provide hydration and improve the overall health and appearance of the hair. While not primarily known for its specific scalp benefits, Palm and Rapeseed Oil Blend's overall moisturising properties can indirectly support scalp health by providing nourishment to the hair follicles and maintaining a balanced scalp environment. |
| Halal | O&3 can confirm this product is not Halal certified, however it does not contain any animal derived product or ingredient, hence it is HALAL applicable. |
| INCI Listing | Elaeis Guineensis Oil & Brassica Campestris Seed Oil |
