Skin Benefits

Peach kernel butter is deeply moisturising and can help soften and nourish the skin. It is commonly used in body butters, lip balms, and skincare formulations to provide hydration and improve skin texture.

Hair Benefits

Peach kernel butter can be used in hair care products to moisturise and nourish the hair, promoting softness and manageability. It can be added to hair masks, conditioners, or styling products to provide hydration and improve the appearance of the hair.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
