#### **Skin Benefits**

Peach stone powder can be used as a natural exfoliant in facial scrubs or exfoliating cleansers. It helps to remove dead skin cells, unclog pores, and promote a smoother and more even skin tone.

#### **Hair Benefits**

Peach stone powder can be incorporated into hair scrubs or exfoliating treatments to gently remove buildup from the scalp, promoting a healthy and clean scalp environment.

# **Functionality**

### **Exfoliating**

Gently removes dead skin cells from the surface, promoting a smoother and more radiant complexion. It unclogs pores, reduces the appearance of blackheads and whiteheads, and enhances the skin's natural renewal process.
