Scalp Treatment	

**Product code**  
K0349

**INCI Listing**  
Caryocar Brasiliense Fruit Oil

**Manufacturing Method**  
Cold Pressed

**CAS Number**  
394238-03-0

**Origin**  
Brazilian Amazon  
South America

**EINCS**  
Not Listed.

**Scent**  
Characteristic, Fruity

**Customs Tariff Code**  
1515 9040

**Colour**  
Gold-Yellow

### Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

### Skin Benefits

Pequi seed oil is highly moisturising and can help nourish and hydrate the skin. It can be used in body oils, creams, or serums to improve skin texture and promote a radiant complexion.

### Hair Benefits

Pequi seed oil can be used in hair care products to moisturise and condition the hair. It can be incorporated into hair oils, serums, or masks to provide hydration, reduce frizz, and promote healthy-looking hair.

## Functionality

### Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

### Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

### Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

### Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.
