Skin Benefits

Raspberry seed exfoliant helps to remove dead skin cells and impurities, leaving the skin smooth and refreshed. It can be used in scrubs, cleansers, or body polishes to promote a more radiant complexion.

Hair Benefits

Incorporate Raspberry Seed Irradiated, Exfoliant, into your haircare routine for gentle exfoliation, promoting a healthy scalp and improved hair texture.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Exfoliating

Gently removes dead skin cells from the surface, promoting a smoother and more radiant complexion. It unclogs pores, reduces the appearance of blackheads and whiteheads, and enhances the skin's natural renewal process.
