Product Page Intro	Introducing Rosehip Shells, Exfoliant (small particles), finely ground particles derived from the crushed shells of the Rose fruit. These natural exfoliants are known for their gentle yet effective ability to remove dead skin cells and promote skin renewal. Rosehip Shell Exfoliants are a milder alternative to traditional exfoliating scrubs, making them suitable for sensitive skin. They help to smooth the skin's texture, brighten the complexion, and enhance the absorption of skincare products. In addition to their exfoliating properties, Rosehip Shells also contain beneficial nutrients, including vitamins and antioxidants, which nourish and revitalise the skin. Unlock the magic of Rosehip Shells, Exfoliant (small particles) today! Formulate your products with this wonder ingredient for amazing results. Get a quote or order a sample and embrace nature's gift in your formulations!
