Skin Benefits

Rosemary antioxidant helps to protect the skin from free radical damage, enhance the stability of formulations, and provide anti-inflammatory and soothing effects. It can be used in skincare products to extend their shelf life and maintain their quality.

Hair Benefits

Rosemary antioxidant can be used in hair care products to preserve the integrity of the formulations and protect the hair from environmental damage. It helps to enhance the stability of hair products and maintain their effectiveness.

Functionality

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
