Skin Benefits

Organic sage essential oil has purifying and clarifying properties for the skin. It helps to balance oil production and soothe inflammation.

Hair Benefits

Organic sage essential oil can be used in hair care products to promote a healthy scalp and maintain a balanced and clean environment for the hair follicles.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
