Skin Benefits

Refined sheanut butter provides deep hydration and nourishment to the skin. It helps to soften dry skin, soothe irritation, and improve skin elasticity.

Extraction process

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

Hair Benefits

Refined sheanut butter can be used in hair care products to moisturise and nourish the hair and scalp. It helps to reduce dryness, frizz, and breakage, promoting healthier-looking hair.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
