The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/. The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Irradiation Status	O&3 can confirm that Spinach Seed Oil, Cold Pressed has not been irradiated at any stage of production.
Karanal Status	O&3 can confirm that Spinach Seed Oil, Cold Pressed is free from Karanal.
Key Essential Fatty Acid Compounds	Oleic Acid,Linoleic Acid
Kosher	O&3 can confirm that Spinach Seed Oil, Cold Pressed is not Kosher Certified.
Leaping Bunny	O&3 can confirm that Spinach Seed Oil, Cold Pressed complies with the criteria of the Humane Cosmetics Standard & has not been tested or re-tested on animals for cosmetic purposes by or on behalf of O&3.
Manufacturing Method	Cold Pressed
Methyl Salicylate Status	O&3 can confirm that Spinach Seed Oil, Cold Pressed is free from Methyl Salicylate.
Microbiological & PAH Status & Heavy Metals & Pesticides	O&3 can confirm that Spinach Seed Oil, Cold Pressed does not have a micro specification because the product was sterilized in the production process. We can confirm that there is no detectable amounts of pesticides. It is produced from natural raw material and complies within the limits of the oil-related requirements of European Regulation 2023/915 regarding heavy metals, dioxins, dioxin-like PCBs, Benzo-a-pyrene & PAH.
Mycotoxins Status	O&3 can confirm that Spinach Seed Oil, Cold Pressed is compliant with the requirements of the Regulation (EC) N° 2023/915. We can confirm this product is free from: Aflatoxins, Ergot alkaloids, Patulin, Alternaria toxins, Ochratoxin A, Fusarium toxins.
Nagoya Protocol	O&3 can confirm that this material does not fall into the scope of EU ABS Regulation (EU) No 511/2014 (also known as the Nagoya Protocol).
Nanomaterials Status	O&3 can confirm with reference to Spinach Seed Oil, Cold Pressed that no Nanomaterials were added at any stage of the manufacturing/production process, in accordance with EU Cosmetics Regulation.
Organic	Not applicable to this grade of product. Organic versions are available on request, please see our Organic category.
Origin Statement	O&3 can confirm Spinach Seed Oil, Cold Pressed origin is Poland.
Palm Status	O&3 can confirm that no palm oil has been used in the process of manufacturing Spinach Seed Oil, Cold Pressed.
Parabens Status	O&3 can confirm that Spinach Seed Oil, Cold Pressed is free from Parabens.
Product Page Intro	Embark upon a journey with Spinach Seed Oil, Cold Pressed, a lightweight, non-comedogenic oil extracted from the tiny seeds of the spinach plant. This oil boasts an impressive nutrient profile, packed with essential fatty acids, vitamins, and antioxidants. Its exceptional moisturising properties leave the skin feeling soft, supple, and hydrated, while its anti-inflammatory and anti-oxidant powers combat signs of aging and protect against environmental damage. The Spinach Seed Oil's unique composition also promotes collagen production, enhancing skin elasticity and reducing the appearance of fine lines and wrinkles. With its light, silky consistency, Spinach Seed Oil absorbs rapidly, leaving no greasy residue and is suitable for all skin types, including sensitive skin. Formulate your products with this wonder ingredient for amazing results. Get a quote or order a sample and embrace nature's gift in your formulations!
Product Status	Pure & Natural.
Pyrrolizidine Alkaloids Status	O&3 can confirm that Spinach Seed Oil, Cold Pressed is free from any Pyrrolizidine Alkaloids.
REACH Status	O&3 can confirm that Spinach Seed Oil, Cold Pressed supplied is exempt as per Annex IV & V according to EU regulations 1907/2006. This product is not chemically modified, it comes under derogation pursuant to EU regulation 987/2008, Annex II, #9. Hence registration is not required for this product.
