Origin

Amazonian Rainforest

Brazil

South America

Scent

Earthy, Nutty

Colour

Off-White, Light Brown

INCI Listing

Astrocaryum Tucuma Seed Butter

CAS Number

942505-39-7

EINCS

Not Listed.

Customs Tariff Code

1518 0099 90

Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Tucuma butter is highly moisturising and nourishing, providing excellent emollient properties. It helps protect, restore, and condition the skin, leaving it soft and smooth. Tucuma butter also possesses anti-inflammatory properties, making it beneficial for soothing and calming the skin.

Hair Benefits

Tucuma butter can be used in hair care products to moisturise and condition the hair, promoting softness and manageability.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.
