Skin Benefits

Organic vanilla-infused sunflower oil is highly moisturising and nourishing, providing excellent emollient properties. It imparts a sweet and rich aroma, creating a delightful sensory experience.

Hair Benefits

Organic vanilla-infused sunflower oil can be used in hair care products to moisturise and condition the hair, leaving it with a pleasant scent.

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Stress Relief

With its calming properties, it helps reduce stress and tension, which can have positive effects on the skin and overall well-being. Stress relief can also contribute to a more balanced complexion.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.
