Skin Benefits

Yuzu essential oil has a bright and citrusy aroma that is uplifting and energising. It can help relieve stress, uplift the mood, and promote a sense of freshness and vitality. Yuzu oil possesses antimicrobial and antioxidant properties, making it beneficial for various applications. It can be used in perfumes, candles, and aromatherapy blends to add a refreshing and invigorating citrus scent.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Hair Benefits

Yuzu essential oil is commonly used in hair care products for its fresh and invigorating citrus scent. It may also help promote a sense of cleanliness and freshness in the hair.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.
